

## SESSION V July 16-20, 2018

***Curious George*** - George was a good little monkey and always very curious. Come and create, explore, play games, read stories and be curious!

Ages 2  $\frac{1}{2}$ -3      8 spaces  
(meets 9:00- 12:00, bring lunch)

***Let's Go Camping-*** Experience the fun of outdoor life while pitching a tent, singing around the campfire, cooking your favorite outdoor food, searching for insects and outdoor life, going on a hike and much more.

Entering 3's to 4      10 spaces      (meets 9:00-2:00)

***Building Mania--*** Come all builders! Bring your imagination and skill to build amazing creations using a variety of construction materials. Teamwork is fostered in each class.

Entering 3's to 4  
10 spaces (meets 9:00-2:00)

***Kings, Queens & Castles-***Hear Ye! Hear ye! All brave knights and beautiful queens are requested to attend an exciting week of royal fun. We will have majestic competitions, cook a fest, design a crest, build a castle with a moat and experience the regal life at Westminster castle.

Entering 3's to 4      10 spaces  
(meets 9:00-2:00)

**Birds of a Feather** - Let your child spend a week returning to their natural sense of wonder. Discovering birds near our own homes as well as across the globe builds connections to their surrounding world. It in turn teaches them to treat the earth and its creatures with care and an everlasting sense of awe and amazement. We will celebrate our feathered friends through art projects, music experiences, dramatic play, science and discovery centers, literature, creative snacks, outdoor investigations, and so much more!

Entering 4's to completed Kindergarten  
12 spaces (meets 9:00-2:00)

***Kick off to Kindergarten!*** - Come step into a week of Kindergarten activities - question of the day, writer's workshop, math, critical thinking, and language arts while easing into a Kindergarten designed class.

Entering Kindergarten children  
(meets 9:00 - 2:00)

12 spaces

***Chemistry + Kids = FUN!*** - Calling all Einsteins to experience the properties of light, magnets, water, weights, solids, liquids, air and temperature with hands-on activities. Let's find out!

Entering 4's to completed Kindergarten  
12 spaces (meets 9:00-2:00)

***Fine Motor Fun-*** Strengthen fine motor muscles through games and hands on activities! Through art, cooking, sensory exploration, building and game playing, your child's small muscles in the fingers, hands and wrist will be exercised and strengthened. These muscles are essential for many school skills and of course learning to write.

Entering 4's to completed Kindergarten  
12 spots (meets 9:00-2:00)

### **Popcorn Puppet Production Co. -**

Lights! Camera! Action! Come play with and create your own puppets, including stick, sock, shadow and hand puppets. You will invent your own puppet stars, scripts and scenery used in our final production presented on the last day of camp. Tickets, popcorn and plenty of fun provided!

Entering 4's to completed Kindergarten  
12 spaces (meets 9:00-2:00)
